

**HARYANA WATER RESOURCES (CONSERVATION,
REGULATION AND MANAGEMENT) AUTHORITY**

Public Notice

Whereas the Government of Haryana has established the Haryana Water Resources Authority under The Haryana Water Resources (Conservation, Regulation and Management) Authority Act, 2020 with a mandate for Conservation, Regulation and Management of water resources (groundwater and surface water) in the State. All industries, infrastructure, mining projects using ground water are required to take permission/NOCs from HWRA to abstract ground water.

Whereas the HWRA has been regulating ground water development and management by way of issuing 'No Objection Certificates' for ground water extraction to Industries, Infrastructure, Mining Projects etc., and framed guidelines in this connection from time to time on the basis of the categorization of blocks as on 31.03.2024 issued by the CGWB for the Haryana.

Whereas in the month of December 2024 Central Ground Water Board (CGWB), Govt of India, Faridabad has issued revised Block wise categorization as on 31.03.2024 based on the stage of groundwater extraction, 88 blocks falls under Over-exploited category, 11 blocks fall under Critical category, 08 blocks fall under Semi-critical category and 36 blocks fall under Safe category.

Now, the HWRA in has decided to adopt the Block wise categorization issued by the CGWB as on 31.03.2024 for issuance of groundwater extraction permission/NOCs to the industrial, infrastructure and mining etc. **w.e.f. 01.04.2025**. The Block wise categorization issued by the CGWB as on 31.03.2024 has been uploaded on the portal of Haryana Water Resources Authority.

As per the HWRA Act, this Public Notice is hereby given for the awareness of all the Industrial, Infrastructure and Mining project proponents in the State of Haryana and seeking groundwater extraction NOCs from the HWRA. For more details, please visit, www.hwra.org.in
