

**HARYANA WATER RESOURCES (CONSERVATION,  
REGULATION AND MANAGEMENT) AUTHORITY**

**Public Notice**

Whereas the Government of Haryana has established the Haryana Water Resources Authority under The Haryana Water Resources (Conservation, Regulation and Management) Authority Act, 2020 with a mandate for Conservation, Regulation and Management of water resources (groundwater and surface water) in the State. All industries, infrastructure, mining projects using ground water are required to take permission/NOCs from HWRA to abstract ground water.

Whereas the HWRA has been regulating ground water development and management by way of issuing 'No Objection Certificates' for ground water extraction to Industries, Infrastructure, Mining Projects etc., and framed guidelines in this connection from time to time on the basis of the categorization of blocks as on 31.03.2023 issued by the CGWB for the Haryana.

Whereas in the month of June 2024 Central Ground Water Board (CGWB), Chandigarh has issued revised Block wise categorization as on 31.03.2023 based on the stage of groundwater extraction, 88 blocks falls under Over-exploited category, 11 blocks fall under Critical category, 09 blocks fall under Semi-critical category and 35 blocks fall under Safe category.

Now, the HWRA has decided to adopt the Block wise categorization issued by the CGWB as on 31.03.2023 for issuance of groundwater extraction permission/NOCs to the industrial, infrastructure and mining etc. **w.e.f. 01.08.2024**. The Block wise categorization issued by the CGWB as on 31.03.2023 has been uploaded on the portal of Haryana Water Resources Authority.

As per the HWRA Act, this Public Notice is, hereby, given for the awareness of all the Industrial, Infrastructure and Mining project proponents in the State of Haryana who are seeking groundwater extraction NOCs from the HWRA.
