This categorization is based on depth to groundwater table as on, June 2020. This public notice alongwith annexures is available on the official website of the Authority i.e. www.hwra.org.in. Annexure- 'A' indicates the basis of broad categorization. Annexure- 'B' indicates the categorization of villages on the basis of groundwater as on June, 2020. Annexure- 'C' indicates fluctuations in the groundwater table from June 2010 to June, 2020. This village level categorization will assist in awareness generation and will be useful in the micro-level planning of policies and remedial action with regard to the groundwater management of the villages as against the adoption of present Block Level Categorization.

Therefore, under section 11 of the Act, this public notice is hereby published and suggestions/objections, if any, are called from the general public in the State of Haryana before giving effect to the categorization for taking policy decisions and remedial & other measures in the field of water management in the public interest.

The suggestions/objections relating to categorization of village level groundwater table as on June, 2020 may be sent on email id **objections2022.hwra@gmail.com** within 30 days from the issuance of this public notice. No suggestions/objections shall be entertained after the last date.
